INSTRUMENT CASSETTES AND TRAYS

OPERATIONAL EFFICIENCY MADE EASY

The more your dental studio grows the more effective your procedures need to be. Efficiency becomes a direct consequence of an organized practice with proper instrument handling for greater efficiency and patient safety. ML Dental manufactures trays, cassettes and boxes to conveniently transport, sterilize and store the instruments that make your daily practice crucial to improving the quality of life of your patients, whether they need to solve aesthetic or functional problems. A wide range of accessories complements cases and trays to effectively organize their compartments and prevent damage to delicate parts and coatings during various sterilization steps.

Autoclavable

Non-toxic food-grade silicon. The plastic cover is not autoclavable.

- Insertion of turbine burs and micromotor burs in one bur holder box.
- Color-coded operating sets, optimizing surgery, storage and selection times.
- cross holes in the silicone bur holders prevent burs from falling out and breaking.
