

MALLETS

Mallets are used to deliver controlled force to chisels, osteotomes, and other orthopedic instruments during surgical procedures. Our mallets are designed for balance, precision, and comfort, ensuring effective impact with minimal vibration.

Constructed from high-quality surgical materials, they are available in various weights and head designs to suit different surgical needs.

LIGHT & MEDIUM WEIGHT MALLET

NARROW TIP MALLETS

Useful for hand surgery and in areas where access is limited.

Autoclavable to 290°F (143°C)

CODE #	WEIGHT	HEAD WEIGHT	HEAD DIAMETER	OVERALL LENGTH
